

N/A presents:

**Mary Schu Aviation 16 hour FAA Approved Flight Instructor  
Refresher Course (FIRC) March 8-9, 2014**

Part of being a great instructor is learning from other CFIs. There is little "hangar flying" that occurs these days. Join us for a course that encourages small group interaction and fun! Presented by Mary Schu, Designated Pilot Examiner, Flight Instructor and professional pilot of over 35 years. Additional speakers will feature aviation experts including local ATC personnel. The seminar includes newly required CFI endorsements, challenges on check rides, FAA required scenario based training, preparation for a Flight Review, airspace review, TSA yearly recurrent training - including a certificate of completion and much more! CFIs can renew their certificates three months in advance and keep the original date. Certificates will be issued on location through IACRA. The course has a cost which includes a working lunch both days and is over by 3:00 PM on Sunday.

**Directions:** Lane Aviation Academy is located at the southeast end of the Eugene Airport KEUG.

#### **A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
